Thanks Chrissie, I know you're stalking me and will just lie about it Federal Court, you know perjury is enforced in Federal Court, min 5 years, I think, anyway, thanks for all of your hard work of abusing me and harassing me cause I'm a Scientologist and you're a religious hater

Please confirm this threat is from YOUR website. Think carefully before you accuse anyone of abuse and harrasment because you have documented yours all over the internet.

house, plant drugs and drop dimes and on their children go to foster care where they will be drugged on psych drugs and sexually abused. That's if they don't smoke pot recreationally? If they do and her husband looks like he does, the private dix will drop dimes with child services and prove it in court legally along with pictures of him doing the drugs and if she does too, then her too, photos and videos of both of these people doing drugs and a history of doing drugs long term, not one video or one photo.

That's not illegal, you're suppose to report parents who are doing drugs to child services, they are putting their children at risk and there

So keep slandering me, Scientologist. I'll keep documenting. Let's make this a slam dunk case. Lapd should be paying you a visit soon. Regret coming for a mother & her children? You will. Keep threatening and slandering me. Last thing I'll say to you...BIG MISTAKE. HUGE. ☹️

She tweeted something last night about wanting to kill herself. Did you see that? I think we should all report her. Hopefully twitter will call police and do a wellness check or a 5150. I will sue her and file a police report but I don't want anyone committing suicide. Scary.
